Report 26

June 25, 2026

MMN Slug ID 1048 /Slug Name: MD_DA640

Email us with accessibility issues with this report.

The low/medium heat nonfat dry milk (NDM) prices dropped at the bottom of the price series while the top was unchanged. The bottom of the mostly price series is also lower. Demand for low/medium heat NDM is softer this week, with some buyers approaching the market with a "wait and see" mentality. Buyers in Mexico are also purchasing less NDM this week. Spot loads are available from most producers in the region. Export demand is lighter this week. The high heat NDM price range is unchanged this week. Demand is lighter this week. Production schedules are focused on contracted volumes and low/medium heat continues to take priority.
