Whole milk powder (WMP) prices were steady at the bottom of the price range but decreased at the top. Processor prices softened from both the previous month and year-ago levels. WMP futures were unchanged for July and November, but weaker across the remaining contracts.

The next Global Dairy Trade event is scheduled for July 7.

Prices for: Oceania, All First Sales, F.O.B. - Port, Conventional, and Edible Whole Milk Powder

Price Range - 26% Butterfat; \$/MT:	3,550 - 3,575
-------------------------------------	---------------

Information for the period June 22 - July 3, 2026, issued biweekly

Secondary Sourced Information:

Recently released export data from New Zealand showed May 2026 WMP export volumes were 143,058 metric tons (MT), an increase of 44 percent from the year prior. Export volumes of WMP from January-May 2026 were 701,369 MT, up 16 percent from a year earlier.
